

# THE GREENBRIAR

**W**elcome to the Greenbriar! The living is easy in this graceful design! Designer elements are showcased in the custom kitchen and luxurious master bath. From slabs of gorgeous granite, to fine tile, gorgeous cabinetry and miles of gleaming wood floors, Boise Building Company spares no expense in pampering new owners! A 4-piece Whirlpool or Bosch stainless steel appliance package is included in every home. Stylish lighting and upgraded trim adds luxurious, show-stopping detail in the family room!

All primary living spaces are conveniently layed out on a single level, encompassing 3 spacious bedrooms with plenty of room for study, sleep and storage! The expansive great room opens up to a covered patio, and abundant windows ensures the interior is enveloped in light and comfort. The guest rooms are privately located off of an elegant vestibule, and the master suite ensemble features coffered ceiling heights and a luxurious master bath with fine granite and tile, dual vanities and a spacious walk-in shower! For added utility and convenience, there is also a functional yet stylish technology nook! Completing the ensemble is a 3-car garage!
