

THE MERION

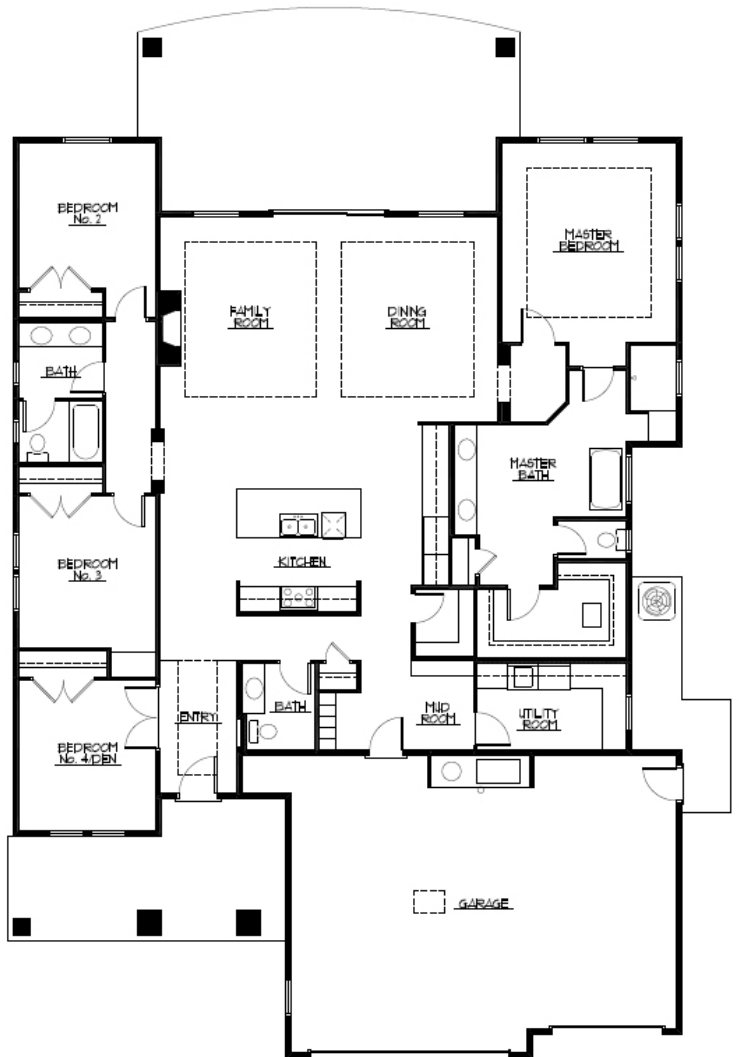

boise building.co

Crafted with artistic precision, visitors to The Merion discover free flowing spaces perfectly designed for hosting friends & family!

There is no shortage of storage in the custom kitchen, with miles of richly grained cabinetry, a 10' island, plus a walk-in pantry w/ appliance counter. On display throughout the home are the trademark finishes of Boise Building Company; expanses of wood flooring through the entire great room, a 4-piece stainless steel Bosch appliance package, slabs of gorgeous granite and fine tile.

The layout is modern and elegant, encompassing four spacious bedroom with plenty of room for study, sleep and storage, 2.5 baths, and a sleek and stylish great room with easy flow to the private covered patio!. A private master suite is bathed in light and comfort and showcases a spacious tiled shower for 2, a soaking tub, dual vanities and walk-in wardrobe. Completing the ensemble is a 3-car garage!
