

THE PEACHTREE

Welcome to the Peachtree! This dreamy cottage design features high-pitched vaults throughout the great room, kitchen and dining areas! Displayed within the chef's kitchen is a stainless steel 4-piece Bosch appliance package, gorgeous slabs of granite, and custom alder cabinetry! There is no shortage of storage with a walk-in pantry, an oversized utility closet, a custom mud bench and oversized garage!

The master suite is a special retreat, featuring coffered ceilings, dual 6' custom vanities and a walk-in tiled shower!

Multiple patio settings provide an abundance of outdoor living space!

Boise Building Company custom upgrades include engineered hardwood flooring through the entire great room, lifetime warranted windows, conditioned crawlspaces, an efficient insulation and HVAC package, upgraded trim carpentry and designer finishes on every house!
