

THE CYPRESS

Welcome to the Cypress! The living is easy in this graceful design! Designer elements are showcased in the custom kitchen and luxurious master bath. From slabs of gorgeous granite, to fine tile, custom cabinetry and miles of gleaming wood floors, Boise Building Company spares no expense in pampering new owners!

All primary living spaces are conveniently located on a single level, encompassing 3 spacious bedrooms plus an office, with plenty of room for study, sleep and storage!

The expansive great room opens up to a covered patio, and abundant windows ensure the interior is enveloped in light and comfort. A privately located master suite ensemble features coffered ceiling heights and a luxurious master bath with fine granite and tile, dual vanities and a spacious walk-in shower! Completing the ensemble is a three car garage.
