

# THE RIVIERA BONUS

**E**xtraordinary single level plus bonus room design! Creating a sense of luxury, 12 foot ceiling heights in the family room with a bank of windows captures the ever changing scenery of the Boise foothills! Trademark finishes of Boise Building Company shine with abundant custom cabinetry, 4 piece Bosch stainless steel appliance package, slab granite or quartz counter surfaces, and wood flooring throughout the entire great room!

Uniquely designed to maximize views from all of the primary living spaces and oversized side patio/porch! The master suite features a walk-in shower, dual vanities and supersized walk-in closet! The split bedroom design has 2 additional guest bedrooms served by a Jack-and-Jill bath. The bonus room is served by a full bath and is perfect for additional guest quarters!

An expanded 2 + car garage sports an 18 foot garage door plus an added storage area. Low maintenance grounds provide a luxurious and carefree lifestyle!
